A Declaration of the Applicant Company

The applicant company hereby assures that

- the information provided is true,
- the statements made regarding the specified vehicle are complete and identical with the information in the vehicle registration,
- the vehicle permit is necessary to carry out work,
- to the extent that a privately owned vehicle is involved, it is the case that the person owning the vehicle works for the applicant and must use this vehicle for doing his/her work on the grounds of Frankfurt Airport,
- to the extent that a privately owned vehicle is involved, the applicant will immediately inform the ID & Registration Center that the person owning the vehicle is no longer employed at the company of the applicant and, consequently, the vehicle is no longer being used or that another vehicle is being used,
- application is being made only for those areas that must actually be entered in order to carry out work,
- applicant company shall bear the costs for the processing of this application, issuance of the vehicle permit, and the fees for any apron signs required,
- the apron signs handed out by the ID & Registration Center are used,
- the applicant using a vehicle in airport operation areas has a current employers' liability insurance of at least Euro 5 million insured sum for both personal injury and property damage for damage occurring on Frankfurt Airport grounds,
- the applicant using a vehicle on the apron has a current vehicle third party liability insurance of at least Euro 50 million insured sum for both personal injury and property damage for damage occurring on Frankfurt Airport grounds,
- the ID & Registration Center is immediately informed if the vehicle is sold or no longer being used at Frankfurt Airport or other circumstances exist in connection with the possession of the vehicle registration,
- the vehicle permit and apron signs shall be returned in due order or the charges set out shall be paid,
- the vehicle permit shall be kept safely and the ID & Registration Center or the Fraport Safety and Security Control Center shall be notified immediately in the event of loss or suspected loss,
- the vehicle permit shall not be used to provide airport access for other vehicles.

**The undersigned is authorized to sign for the company named.
A sample signature is on file with the ID & Registration Center.
Our activity at Frankfurt Airport has been approved by Fraport.**

B Acknowledgement by Applicant

- Our activity at Frankfurt Main Airport has been approved by Fraport.
- The applicant company named works on our behalf at Frankfurt Airport. Its activities are also permitted by Fraport.
- If our contractual relationship with this company is dissolved or if the activity that we have commissioned the applicant company to carry out at Frankfurt Airport is no longer necessary, we shall notify the ID & Registration Center in writing immediately.

C Declaration of the Vehicle Owner

- I agree to electronic storage of my personal and vehicle data for required administrative purposes.
- I hereby acknowledge the Airport User Regulations and the Identification and Access Regulations.

To be issued a vehicle permit, the completed application must be submitted together with the original vehicle registration to the ID & Registration Center.

Routine checks of IDs issued shall be carried out.
