

Boards and Committees

The Fraport boards and committees serve to assist the Supervisory Board and its committees.

The Supervisory Board controls business development and strategic alignment of the Group. Its members are personalities active in politics and business in the City of Frankfurt, State of Hesse and Federal Republic of Germany. In addition, some top managers of Fraport AG are Head of the Supervisory Board at some companies within the Fraport Group.

Work for boards and committees involves the organization of the annual shareholders meeting of Fraport AG. Further focus is on Corporate Governance which is adapted to national and international standards.
