

## Cairo Airport Company

26.01.2007

### Area of activity:

- Airport management

The international airport in Cairo is to be developed into a Middle Eastern passenger and cargo hub. To this end, Fraport experts have been entrusted with the management of the airport for a period of eight (+ two) years, during which the airport is to be modernized and expanded.

### Managing Director:

Volker Wendefeuer (excutive Director)  
Jean-Pierre Tabet (CCO)  
Oliver Weiss (COO)
