

APS Airport Personal Service GmbH

27.09.2005

Area of activity:

Human Resource Management

APS Airport Personal Service GmbH is a reliable partner for all facets of HR Management. As a subsidiary of Fraport AG, APS will help you cope with short-term personnel bottlenecks, special projects and outsourcing of entire work processes.

From classical temporary employee leasing from recruitment of qualified experts to on-site management, APS offers fast and flexible solutions plus consultation tailored to your specific requirements.

APS can also provide qualified personnel for banks and consultancies.

Fraport holds a 100-percent share in the company.
