

Events

Our Calendar provides you with a list of all of Fraport's important dates and events relating to IR activities and publications. Furthermore, you will find relevant competitor publications that become available to us.

You can select the following categories via the drop-down menu: "All dates and events", "Traffic figures", "Financial publications", "Road shows", "Conferences/presentations", and "Annual General Meeting". By selecting "Archive" you can access all our IR publications.

Here you can find further publications, e.g., our calendar of events, monthly traffic figures since 1980, air traffic statistics, or our sustainability report.

Subject to change.
