

Ground Services

Hub Experts at Work.

We create the conditions on the ground for the success of airlines above the clouds. As one of the leading international providers of ground handling services in accordance with IATA AHM 810, Fraport Ground Services (<http://www.fraport-groundservices.com>) offer the full range of services for all aspects related to aircraft.

With almost 50 years of experience in ground handling mean that we are able to cater to the individual wishes of airlines and ensure trouble-free handling. In Frankfurt alone, a workforce of more than 7,100 works for over 100 national and international airlines in the ground handling and the central ground handling infrastructure sectors as well as other ground handling affiliated businesses. And with considerable success! FRA numbers among the fastest major airports in the world with a guaranteed transfer time of just 45 minutes.

Our range of services:

- Providers of the complete range of services acc. to AHM 810 (*airport handling manual)
- Services from a single source
- High quality standards / ISO certification
- Individual Service Level Agreements
- Qualified, well-trained staff
- State-of-the art handling equipment
