Administration office for driver training and driver identification cards

Building 501, Entrance C, Level 2

Seminar rooms and times

All seminars take place in lecture rooms and begin daily at 7:30am.

Fail an examination

If the theoretical or practical test for the apron driver's license was failed, the examination can be repeated (at no extra charge) within 4 weeks.

If the theoretical or practical test for all the other courses was failed, the complete course has to be repeated (course fee will be charged).

Arrival

We recommend to all participants to use public transportation.

It is possible to use the internal bus lines on the training days for the arrival and the departure. Please ensure, that the confirmation of the training can be demonstrated in case of inspections.
