First Compliance Statement for the Year 2010

The Executive and Supervisory Boards of Fraport AG state according to § 161
Corporation Law:

Since the last compliance statement dated December 14, 2009, Fraport AG has
complied with and will continue to comply with the recommendations of the Government
Commission German Corporate Governance Code dated June 18, 2009, with the
following deviation:

“The compensation paid to the members of the Supervisory Board does not include a
performance-related, variable component (section 5.4.6 paragraph 2 of the GCGC).”

According to § 12 of our Articles of Association, the members of the Supervisory Board
receive a fixed compensation and meeting attendance fee. Considering the intensive
supervision activity of the Supervisory Board, the Board views this to be appropriate for
the time being. Furthermore, they receive compensation for their work in a committee.
Due to the increased significance of the finance and audit committee, the chairman of
this committee receives an increased compensation and the members of this committee
receive an increased meeting attendance fee.
Concerning the deviation from the recommendation mentioned in the compliance statement for the year 2009

“In a Directors & Officers insurance for the Supervisory Board a corresponding retention is to be agreed upon (section 3.8 paragraph 2 of the GCGC)”

a retention for the Executive and Supervisory Boards was agreed in due time according to the Act on Appropriateness of Management Board Remuneration.

Consequently, a deviation in this regard no longer exists.
