#### Fact sheet on the lounges of the Frankfurt Airport VIP-Services

As of summer, 2023, Frankfurt Airport VIP-Services will be operating out of two separate lounges:

- VIP-Transitlounge and
- VIP-Terminal

With its landside location, the VIP-Terminal is ideal for hosting arriving and departing passengers, while the VIP-Transitlounge will continue its services for transferring passengers.

**Guest statistics**      2019: > 31,000 VIP-passengers, the highest number to date
